

Traveling to/from Lugano by airplane

Milan Malpensa airport (MXP) is situated at 70 km from Lugano and connected with a scheduled shuttle service.

The airport of Zurich (ZRH) is at 200 km distance with rail connection.

The small regional Lugano Airport (LUG), at 6 km from the city centre, offers short-distance and connecting flights to international airports.

The airports of Milan Linate (LIN) and Milano Orio (BGY) are also at reachable distance, but not so well connected to Lugano.
