

Location: Lugano - Swiss Mediterranean Style

Lugano is situated just 80 km north of Milan, in Ticino, an alpine canton in the South of Switzerland. This quiet, compact city of spacious parks lies on the shores of beautiful Lake Lugano, in an unspoiled landscape of lush hills and wild, remote valleys. Local area attractions and short day trips can make this conference the opportunity of a mini vacation. On the other hand, the nearby greater Milan area houses cultural heritages, museums, first class shopping, delicious dining and various cultural offers.

Milan Malpensa international airport (MXP) is just 70km from Lugano and connected by rail and with bus shuttle services. Zurich international airport (ZRH) is located 200km from Lugano with connections by rail. Lugano is within driving distance from major cities in Switzerland, Italy, Germany and France.

Call for Papers - Submission of Abstracts

If you would like to present a paper at the conference, please send an extended abstract (250-500 words and images), including name(s), address, affiliation, e-mail of the authors, by e-mail to info@3dbody.tech.

Important dates and deadlines

- Extended abstracts: 30 April 2019
- Author notification: 30 June 2019
- Full papers: 31 August 2019

Acceptance process, conference proceedings, ISBN & DOI, on-line papers

The submitted abstracts will be evaluated and reviewed acceptance. Authors of accepted abstracts should submit full papers following the given guidelines and present the paper at the conference.

The submitted papers will be published on conference proceedings, available in digital form and with ISBN number. DOI (digital object identification) numbers will be assigned to the single published papers.

The abstracts and the papers will be available on-line at the website www.3dbody.tech/cap.
