

Second Announcement - Call for Papers and Exhibitors

6th International Conference and Exhibition on 3D Body Scanning Technologies

Lugano, Switzerland, 27-28 October 2015

Organized by HOMETRICA CONSULTING · Switzerland

www.3dbodyscanning.org/2015

Conference Description

This conference and its parallel exhibition aim to fulfill the demand for an international event focused on 3D human body scanning technologies, 3D human body measurement methods and applications. This event is the world leading technical and scientific platform dedicated to these specific fields.

In the last two decades, 3D scanning technologies developed in other industrial sectors were successfully applied to the measurement and scanning of the human body. Methods and techniques are continuously ameliorated, more efficient and performing scanning systems are produced every year and new software tools are developed unceasingly.

The international conference and exhibition on 3D body scanning technologies serves as a platform for the information on the latest developments and interesting applications in various sectors, as well as, for building relationships and exchanging ideas between manufacturers, users, developers and researchers from around the world.

Conference Topics

The technical program consists of oral presentations, poster presentations and live demonstrations in (but not limited to) the following technical areas:

- 3D & 4D body and 3D & 4D face scanning methods, systems and technologies
- Active 3D body scanning technologies (laser scanning, white-light scanning, kinect)
- Passive body scanning methods (photogrammetry, visual-hull)
- Portable and hand-held scanning devices
- Full body scanning systems for the apparel and fashion sector
- Applications in medical sciences (plastic surgery, orthotics, prosthetics, forensics, dermatology, etc.)
- Foot scanning, custom footwear and orthopedics
- Digital anthropometry, anthropometric studies
- Body size measurement campaigns, fitting mannequins
- Biometrics and applications in security
- Applications in sport, health and fitness
- Human body and face modeling, animation and simulation
- Applications in virtual life, games and entertainment
- 3D body scanning for arts, sculpture and 3D printing

Conference Facts

The conference confirmed with the past five editions of 2014,2013,2012,2011,2010 to be the main and largest scientific and technical international event focused on 3D human body scanning technologies.

Technical presentations

14 technical sessions and 1 poster session
with expected 60-80 presentations

Exhibition

Parallel exhibition on 500m² (extendable)
with expected 15-25 exhibitors

Attendees/Visitors

200-250 expected attendees/participants

Facts of 2014

14 technical sessions with over 60 presentations
Proceedings with 56 papers, 424 pages

Parallel exhibition with 14 manufacturers

Presentation/announcements of 12 world premieres

251 participants, from 31 different countries

70% from private industries and firms

30% from universities and research institutions

Call for Papers – Submission of Abstracts

If you would like to present a paper at the conference, please send an extended abstract (250-500 words and images), including name(s), address, affiliation, e-mail of the authors, by e-mail to info@3dbodyscanning.org.

Important dates and deadlines

- Extended abstracts: ~~31 May~~ **22 Jun.**
- Author notification: 30 Jun. 2015
- Full papers: 31 Aug. 2015

Acceptance process, conference proceedings, peer reviewed proceedings

The submitted extended abstracts will be evaluated and reviewed acceptance. Authors of accepted abstracts should submit full papers following the given guidelines. The submitted papers will be published as conference proceedings, available as printed book with ISBN number and digital media. DOI (digital object identification) numbers will be assigned to the single published papers.

A limited number of papers will be selected for an additional academic volume. These papers will have to pass peer review process by the scientific/technical committee before publication.

Conference Program

The technical program will consist of oral and poster presentations grouped in different technical sessions according to the topics of the submitted papers.

Program outline

The program of the conference will be structured, during two full days, in an opening session, 14 technical sessions in dual track and 1 poster session, accommodating in total 60-80 scientific and technical presentations.

The parallel technical exhibition will allow manufacturers of scanning equipment to demonstrate live their products and solutions to all attendees/visitors/participants.

Breaks and social events are planned in order to increase the possibilities for building relationships and exchanging ideas between attendees, visitors, authors, participants and exhibitors.

6 th International Conference and Exhibition on 3D Body Scanning Technologies, Lugano, Switzerland, 27-28 October 2015						
Time	Tuesday 27 th October 2015		Wednesday 28 th October 2015			
08:00	Registration Welcome desk		Exhibition Setup	Registration Welcome desk		Exhibition Setup
09:00	Opening Session		Exhibition	Technical Session 7 4D Face & Body Scanning	Technical Session 8 Body Scanning for Apparel II	Exhibition
10:00				Coffee Break		
11:00	Technical Session 1 Medical Scanning Systems	Technical Session 2 Body Scanning for Apparel I		Technical Session 9 Ergonomics & Anthropometry	Technical Session 10 3D Scanning to 3D Printing	
12:00	Lunch Break					
13:00						
14:00	Lunch Break					
15:00						
15:00	Technical Session 3 Medical Applications I	Technical Session 4 Face & Body Scanning Systems		Technical Session 11 Medical Applications II	Technical Session 12 Scanning with Depth Cameras	
16:00	Coffee Break					
17:00	Technical Session 5 Body Modeling & Avatars	Technical Session 6 Anthropometric Studies & Surveys		Technical Session 13 Body Scanning for Health & Sport	Technical Session 14 Body Scanning for Apparel III	Exhibition Breakdown
18:00	Welcome Cocktail			Closing Session		

Registration Fees

Each attendee/participant/delegate that wishes to attend the conference and visit the technical exhibition has to fill a registration form and pay the registration fees before the begin of the conference. The conference fees include admission to all sessions, the accompanying exhibition, coffee breaks and a copy of the proceedings.

Registration as	Early, before 30 June	Regular	Late, after 30 September	
Attendee:	500 CHF	550 CHF	600 CHF	
Presenting author:	450 CHF	500 CHF	550 CHF	
Student:	400 CHF	450 CHF	500 CHF	Prices are in Swiss francs (CHF)
One day only:		400 CHF	450 CHF	and inclusive of Swiss VAT.

Exhibitors and Sponsors Fees

Private companies/firms or research/educational institutions are welcomed to participate at the technical exhibition or to become sponsors of the conference. The technical exhibition takes place in parallel to the conference and is accessible to all the attendees of the conference.

Three different packages are available for sponsors and/or exhibitors: GOLD, SILVER, BRONZE.

GOLD sponsor/exhibitor

- 9m² (3x3) exhibition space
- 2 full registrations
- 1 staff registration
- logo and link on website
- multiple leaflets in delegate bags
- cost: 2450 CHF

SILVER sponsor/exhibitor

- 3m² (2x1.5) exhibition space
- 1 full registration
- logo and link on website
- single leaflet in delegate bags
- cost: 950 CHF

BRONZE sponsor

- logo and link on website
- single leaflet in delegate bags
- cost: 450 CHF

Prices are in Swiss francs (CHF)
and inclusive of Swiss VAT.

Conference Site: Lugano - Swiss Mediterranean Style!

Lugano is situated just 80 km north of Milan, in Ticino, an alpine canton in the South of Switzerland. This quiet, compact city of spacious parks lies on the shores of beautiful Lake Lugano, in an unspoilt landscape of lush hills and wild, remote valleys. With mediterranean flair, Lugano offers all the advantages of a world-class city, combined with the cachet of a small town. Local area attractions and short day trips can make this conference the opportunity of a mini vacation. On the other hand, the greater Milan area houses world-famous cultural heritages, many museums, world-class shopping, delicious dining and various cultural offers. Additionally, through the low-cost flight connections to/from Milan Malpensa, all major European cities are easily and inexpensively reachable.

Access and Travel

Lugano is extremely easy to reach by public or private transportation; it is situated 70 km from Milan Malpensa airport (MXP) connected with convenient shuttle services and 200 km from Zurich airport (ZRH) with connections by rail. Lugano is within driving distance from major destinations: Como 40km, Milan 80km, Lucerne 170km, Zurich 200km, Basel 260km, Venice 340km, Geneva 370km, Florence 400km, Munich 420km, Stuttgart 430km, Frankfurt 590km, Rome 660km, Paris 770km, Vienna 830km.

Hotels and Accommodation

Lugano offers a wide range of hotel rooms in all categories. For attendees wishing to be close and within walking distance to the conference venue, we suggest to book an hotel in Lugano; a list of selected hotels is available at the conference's website. For attendees wishing to stay in Italy, Lugano is easily accessed by car or train (30 minutes from Como, 1 hour from Milan).

Conference Venue

The conference and exhibition will be held at the Lugano convention center which is centrally located, right next to the splendid municipal park, directly on the lake shore. The center is located within easy walking distance of many hotels, shops and attractions.
