3DBODY.TECH 2018 Conference & Expo - Lugano, Switzerland, 16-17 Oct. 2018

LUGANO, SWITZERLAND

Lugano is situated in Ticino, an alpine canton in a strategic geographic position, directly on the north-south international axis of the St. Gotthard route. This quiet, compact city of spacious parks lies on the shores of beautiful Lake Lugano, in an unspoilt landscape of lush hills and wild, remote valleys. With mediterranean flair, Lugano offers all the advantages of a world-class city, combined with the cachet of a small town.

Local area attractions and short day trips can make this conference the opportunity of a mini vacation. On the other hand, the greater Milan area houses world-famous cultural heritages, many museums, world-class shopping, delicious dining, various cultural offers. Additionally, through the low-cost flight connections to/from Milan Malpensa, all major European cities are easily and inexpensively reachable.

General touristic information about Lugano and surrounding areas may be obtained from the web sites of Lugano and Ticino tourism <u>www.luganoturismo.ch</u>, <u>www.ticino.ch</u>.
